

College Pathway

ANNE'S Language House

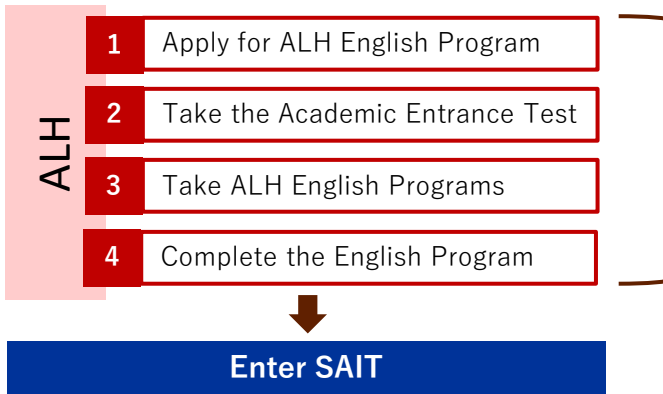

SAIT Southern Alberta Institute of Technology

- Develop a solid foundation of both general and academic reading, writing, listening and speaking skills
- Improve academic language skills for Canadian educational and workplace environments
- Small-sized class: Max. 12 students in 1 class
- Free pathway support including individual general/academic counseling, college information sessions and campus tours,
- 15000 – 16000 students (1250 international students from 78 countries)
- Overall 90 % grad employment rate
- 1:20 Faculty to Student ratio
- 75+ programs available to international students
- Immigration counselor and work experience coordinator available for international students
- Career Fair at SAIT - 150 employers for students

How Pathway works

Students who have completed our General English 4 or 5 will meet the English language proficiency requirements for the purposes of admission to a SAIT certificate post-diploma certificate, diploma or applied degree without having to write the TOEFL or IELTS.

- Academic counselling to help you choose and apply to SAIT Program.
- Students must apply separately with all supporting academic documents for entry into SAIT programs and ALH will assist with this process.
- Academic support with extra materials for students who have extensive support needs

English Requirement Equivalency

ALH Level	Required score	Equivalency
GE4	80% in Level Exit Test	English 20-1 with a 65% grade
GE5	75% in Level Exit Test	English 30-1 with a 65% grade

- Each level has 10-12 weeks. (5-6 weeks x 2 modules)
- 5 levels: Beginner to Advanced
- GE5: All modules (10 weeks) must be taken to complete the level.

ALH General English Level Chart

	General English	TOEFL	IELTS Equivalency
Advanced	GE 5	60 - 90	6.0 - 6.5
Upper-Intermediate	GE 4	35 - 59	5.0 - 5.5
Intermediate	GE 3	- 34	4.0 - 4.5
Pre-Intermediate	GE 2	-	3.0 - 3.5
Beginner	GE 1	-	-

- GE5: 25Lessons is mandatory for Pathway
- For the students who want to enroll SAIT Baking and Pastry Arts, Professional Cooking, Non-Destructive Testing Foundations, and Machinist Technician must complete GE4 (10 weeks).
