#### Feature of Technology + Science Camp

During the camp, children may get a little messy, but they learn new skills and take some exciting risks along the way to build confidence.

The goal of the camp is to inspire children for STEAM (Science, Technology, Engineering, and Mathematics) education, spark their interest for science, engineering, robotics and software development through lots of fun and amazing activities.

\*Day Camp Schedule, activities and field trip are subject to change.  
Please contact ALH for any changes.
